QUESTION OF THE WEEK

Question for Adults/Pregunta para los adultos: Share about great meals you've been part of, ones which are still memorable to you. Hable de las grandes comidas de las que ha sido parte, las que todavía sean memorables

Question for Children/Pregunta para los jóvenes: The disciples recognized Jesus in the breaking of bread. How have you experienced Jesus at Mass, in the breaking of the Eucharistic bread? How have you experienced Jesus at meals with friends and family? En el rápido mundo de escuela y el trabajo, habla sobre las formas en las cuales podrías separar un tiempo para compartir los alimentos con tu familia o amigos.

WEEKLY REFLECTION

In a time when our country is so passionately divided that people are prone to dismissing the views of others as ignorant or even evil, the disciples' journey to Emmaus may have a message for us today. When the “stranger” joins them they are appalled that he does not know what has been going on, but they do not turn away from him. They explain their views of recent events and, perhaps more importantly, they listen to what the stranger has to say. Because of their openness, they see things in a new light. How open are you to listening to the views of others and considering their opinions? Can you step back from rhetoric that makes objective discussion impossible? Are you willing to take a look at the facts or do you just rely on your feelings? **Read Psalm 16:1**
