

A LETTER FROM GRAND KNIGHT, ED CARPENTER

Father Wells and I went to Weed on Wednesday, December 17th to deliver the proceeds that we raised at the dinner/dessert auction that was held in October. This was a very fun trip, so I would like to thank all of you for giving me this opportunity. Due to the many people that attended and the many bakers that gave desserts for the auction, we raised approximately \$4,700. As the messenger that was fortunate enough to deliver this donation, I was able to see many positive signs going on at Holy Family Parish, including a meeting scheduled to interview 3 architectural firms to design their new church and parish hall. Fr. Joshy Matthews was very grateful for the donation and all the prayers.

In addition, many of our Knights felt, that as good Christians, we needed to make a donation to the Grace Presbyterian Church, which also lost their church building. The funds came from the November breakfast and from the spaghetti dinner that the Knights served at the "Night of Enchantment". I presented a check for \$300, and it was very much appreciated. They have been using their donation funds to help out the local fire victims as they express a need. They are also planning to rebuild their church.

So, thank you for your support as we worked at helping out our brothers and sisters in their time of need.

----Sincerely, Ed Carpenter
